Dear ~~[REDACTED]~~:

We are a company that helps people recover money from the government when they have been overcharged, have made overpayments, or have various credits owed to them. Our Research Department searches through public records looking for these types of credits.

Our records indicate that there is a total of \$2,817.25 registered in your name. These funds are held by the State of Illinois, a local county or local municipality, and will not automatically be returned to you. KRR has been very successful in assisting companies and individuals in the recovery of these types of funds.

- To obtain a refund we do not require personal information or money out of pocket, at any time.
- We do not charge an up-front fee.
- There is a statute of limitations on these funds and when expired they are no longer collectable.
- There will be absolutely NO fee if funds are not recovered.
- KRR guarantees that you will never be required to return any amount KRR recovers on your behalf.

Please visit or call our office Monday through Friday between the hours of 11:00 a.m. and 7:00 p.m. for further information.

Sincerely,

Erin Tunney
